Re:-Disposal of the Palace situated at Hassan belonging to the Rajapramukh of Mysore.

.....

Sir,

I have reliably learnt that efforts are being made by the Palace authorities of the Rajapramukh of Mysore, to dispose off the Palace situated at Hassan to an individual a capitalist of Hassan District- for a low price. The Palace surrounded by 39 acres of land with thousands of old surve trees in it is situated at the heart of the town and is well suited either to build education institutions or to give it to Municipality to give it to the citizens to build houses. If it is given to an individual, it would amount to a fraud on Public as well as on Government. Though it is a private property of the Rajpramukh, in the interests of the State, and the people, it must be given either to the Government or the Municipality.

I request you to kindly see that the said Palace is not sold to an individual. Please see that the Rajapramukh sells the same to the Government. If these Rajapramukhas are allowed to do whatever they like in respect of their properties, they would naturally work against the interests of the people to favour some interested persons.

I request you to instruct the Rajapramukh of Mysore, not to part the Palace of Hassan to anybody except the Government, if he is already on the move to sell it.

Thanking you,

Yours faithfully,
